

PRESENTED BY THE WILLIAM R. SKIRBALL WRITERS' CENTER

Exploring Epiphany through Poetry:

FRIDAY EVENING TALK & SATURDAY ALL DAY RETREAT

with John Fox, poet and certified poetry therapist

Friday, January 5
7:00 – 8:30 pm

Saturday, January 6
10:00 am – 4:30 pm

Poetry often reveals what you did not know you knew before you wrote or read the poem.

This moment of surprising yourself with your own words or of being surprised by the poems of others is at the heart of poetry as epiphany. This experience of creative insight encourages you to recognize in yourself a deeper more resonant voice that has been discouraged hidden away or perhaps is yet to be discovered. This special after-hours Friday evening talk is a 90-minute program with space to accommodate all interested. For those who wish to delve more deeply there is also an all-day poetry writing retreat on Saturday.
